### INTRODUCTION

#### A. UNIVERSAL RIGHT TO AN EDUCATION

*“All people of every race, condition, and age, since they enjoy the dignity of a human being, have an inalienable right to an education that is in keeping with their ultimate goal, their ability, and the culture and tradition of their country, in harmony with their fraternal association with other peoples in the fostering of true unity and peace on earth. For a true education aims at ... their ultimate end and the good of the societies of which, as an adult, they will share.”*

Declaration on Christian Education  
VATICAN COUNCIL II

The Catholic schools in the Diocese of Little Rock admit students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. The Catholic schools in the Diocese of Little Rock do not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

While the school does not discriminate against students with special needs, a full range of services may not be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities, and the resources available to the school in meeting the student's needs.

#### B. MISSION STATEMENT

Trinity Junior High School values each student as a unique gift from God. Our mission is to prepare young men and women to build futures dedicated to service, morality and justice while recognizing the necessity of Christian faith as the foundation of a meaningful life. **TJH exists to teach students to BE SOMETHING, DO SOMETHING, AND LEAVE SOMETHING, all for the glory of God.**

#### C. STATEMENT OF PHILOSOPHY

Trinity Junior High School offers young men and women an education based on the Catechism of the Catholic Church. With parents as partners, our faculty and staff provide an exceptional academic experience focused on spiritual, emotional and social development.

We believe that an exemplary education can only be fostered in a safe environment that affirms individual worth and mutual respect. As students develop a more mature perspective of the world, the Trinity staff models Christian responsibility and encourages students to partner with the community through stewardship and service.

#### D. BASIC GOALS AND OBJECTIVES

1. To provide a program which will help each student to grow in faith, to come to a better understanding of his/her relationship with God, and to become an active member of the Christian community.
2. To spread the good news of the Christian message.
3. To provide each student with the opportunities to develop his/her educational skills and mental abilities according to his/her God-given talents.
4. To develop in each student a strong character which would exhibit respect and appreciate not only his/her own life, but the lives of others.
5. To establish a community of faith with the students, teachers, administrators, and parents, and to spread this to the surrounding local community.
6. To guide, to reason with, and when necessary, to impose discipline in order to enable the students to achieve self-discipline.
7. To encourage open communication between parents and teachers that will benefit the well being of the child's educational endeavor.

## SCHOOL OPERATIONS

### A. SCHOOL OFFICE HOURS

School office hours are 7:30 a.m. to 4:00 p.m. when school is in session. Summer hours vary.

### B. SCHOOL DAY

Parents may drop students at the gym beginning at 7:30 a.m. Athletics may begin at an earlier time in the B.C. and Fran Brock Activity Center (gym). Band students may go to the band room with permission of the director. The school day concludes at 3:20 p.m. Generally, students are permitted to enter the building at 7:50 a.m. As students arrive in the morning, they **MUST** wait in the gym or courtyard until dismissed to the school building.

### C. AFTER SCHOOL PROGRAMS

1. Math Lab is available Monday-Thursday from 3:20-4:00. Students needing help in math are to attend. There is no charge for this service.

### D. SCHOOL CLOSINGS

#### ● SNOW OR ICE

Trinity Junior High usually dismisses school in conjunction with the Fort Smith Public Schools in the event of inclement weather. Parents and students are encouraged to listen to local media for closure information. Trinity uses RenWeb and Facebook for email and text communication with parents. Use your parental judgment for safety.

#### ● OTHER EMERGENCIES

The decision to close school temporarily due to an emergency such as an epidemic or an inability to operate the school effectively rests with the principal. Every effort will be made using Renweb to notify parents if any type of emergency situation arises.

### E. ATTENDANCE

ACCORDING TO STATE LAW, EVERY PARENT/GUARDIAN OR OTHER PERSON RESIDING IN THE STATE OF ARKANSAS AND HAVING THE CUSTODY OR CHARGE OF ANY CHILD OR CHILDREN BETWEEN THE AGES OF FIVE (5) AND SEVENTEEN (17) (both inclusive) WILL SEND SUCH CHILDREN TO A PUBLIC, PRIVATE, OR PAROCHIAL SCHOOL, OR HOMESCHOOL...UNDER SUCH PENALTY FOR NON-COMPLIANCE WITH THIS SECTION. (Arkansas Ann.6-18-201)

- Trinity students are expected to attend all classes for which they have been scheduled as well as other events and activities occurring during the school day (e.g., liturgies, assemblies, etc.). Exceptions to the above mentioned policy include illness, attendance at a funeral, doctors' appointments, court appearances, and attendance at official school sponsored activities. If any clarification must be made regarding the absence of a student, the principal will make this determination. All absences are treated the same.
- **Generally, a pupil who has accumulated twenty (20) days of absences during the school year will be required to attend summer school, to make up the work missed, or to repeat the grade. (Diocesan Policy 2.04.2)** After ten (10) days of absence, the parent and student will receive written notification by the principal and will be required to present a physician's note explaining the circumstances for any future absences.
- No excused absences will be granted the days and times of standardized testing unless accompanied by doctor's orders for the absence of the student. Make-ups for standardized tests will be given in accordance with the regulations of the testing company.
- Procedures for absences may be found in the Procedures section.
- Students may not leave the school premises during the school day without the explicit permission of the principal. Permission may never be presumed.

### Semester Test Exemption Policy

Students who have an A in a class with four (4) or less absences in a semester will be exempt from taking the semester test. Students who have a B in a class with three (3) or less absences will be exempt from taking the semester test. Students with a C and/or more than four (4.5 and above) absences in a class will be required to take the semester test.

Three (3) tardies in a class will result in one (1) absence. School business absences will not be counted. In- and out-of-school suspensions will be counted as absences.

Students who qualify for the exemption but elect to take the test in order to raise their grade may not have their semester grade lowered as a result of the optional test.

#### F. CUSTODIAL & NON-CUSTODIAL PROVISIONS

Trinity Junior High School abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. It is the policy of Trinity Junior High School and the School Board to afford both custodial and non-custodial parents the same access to their children and the same rights and responsibilities toward their children.

The non-custodial parent will be given access to any and all information with regard to their students' attendance and participation in all Trinity Junior High School functions. It is further the policy of the School to allow the non-custodial parent free access to his/her child during the school day and after school hours for school-related activities, lunch, and transportation to and from school.

If any other arrangement exists, it is the custodial parent's responsibility to provide the school principal with court documentation or some other type of legal agreement signed by both parents. Trinity personnel will be informed of any custody arrangement affecting their student(s) that legally prohibits the sharing of information and/or access to the student.

All court documents and legal filings that are provided to the school will be maintained in the counselor's office along with the student's permanent records. Parents are strongly encouraged to inform the school of all court-ordered custody arrangements.

Decisions regarding need of medical, dental, or psychological treatments and appointments will remain with the custodial parent unless the custody decree states differently or the custodial parent gives written permission.

#### G. TELEPHONE

- Students may use the office phones with permission from the office staff. Students are strongly discouraged from leaving class to make phone calls.
- Telephone messages to students from parents should be made only for reasons that cannot be postponed. Students are called to the office to pick up messages between classes.
- Cell phones must be silenced and put away in student lockers upon entering the school buildings at the beginning of the day.
- Cell phone use and/or possession during regular class time is strictly forbidden unless express permission is given. Violation of this policy will result in consequences for the student as well as confiscation of the cell phone by school personnel.
- Consequences for unauthorized cell phone use/possession:
  - 1<sup>st</sup> offense: Warning
  - 2<sup>nd</sup> offense: Phone taken and must be picked up after school in office. Parents will be notified by email that the phone was being used inappropriately and was taken.
  - 3<sup>rd</sup> offense: Phone taken and must be picked up after school in office BY PARENT. From that day forward, the phone must be turned into the office each morning upon arrival at school for the rest of the semester.

#### H. CHANGE OF ADDRESS/TELEPHONE NUMBER

Any change of address or phone number, or other information kept on file by the school, should be reported to the office as soon as possible so that school records may be kept current.

#### I. STUDENT RECORDS

- The school keeps full and accurate records of each student's attendance and academic progress. These student records are kept permanently at Trinity Junior High. When a student transfers to another school during the school year, a transcript of attendance, academic progress, test scores, and health records will be given to the parents to submit to the new school. At the conclusion of the 9<sup>th</sup> grade, students' records will be sent by Trinity to the students' prospective high schools. No records will be sent until all charges have been paid.
- No data shall be released concerning any student without written parental consent. Parents shall have full access to and the right to challenge the accuracy of data on their children's records. No one except school personnel and parents have access to pupil data without either a subpoena or written permission of the student and his/her parent(s) or guardian(s).

- Non-custodial parents who wish to receive copies of progress reports, report cards, and newsletters should notify the school office at the beginning of the school year.

#### J. FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

1. Parents and students (once over the age of 18) have the right of access to the student's official academic records. Each student has an official folder in which is placed academic transcripts and academic testing.
2. Information which is considered to be directory information will be subject to public disclosure in Trinity's Student Directory, as well as for press notification regarding public recognition of honors/awards. Parents have the right to restrict the dissemination of this directory information by indicating so on the Statement of Responsibility form located at the back of this handbook.

#### K. ANNOUNCEMENTS

- Announcements are made daily at the beginning of 2<sup>nd</sup> Period after the devotional and the Pledge of Allegiance. Additional announcements will be made throughout the day as needed.
- All announcements must be approved by the principal and must be in the office by 8:30 a.m. for the morning announcements. Copies of morning announcements will be posted during 2<sup>nd</sup> period on Google classroom.
- Students are expected to be respectful and quiet during the devotional, the Pledge, and the announcements. NO EXCEPTIONS.

#### L. MEDICATION

The written directive signed by the parent/guardian will include the time(s) the medication is to be administered to the student and must be on file in the school office.

**If you did not complete a Consent for Administering Prescription and Non-Prescription Medications at registration please complete the release at the back of this handbook if your child needs to take medication during school hours.** Any medication brought to school will be stored in a designated place under the control and supervision of office personnel. (Diocesan Policy 2.13) Medication sent to Trinity must be labeled with the student's name and be in its original container.

#### M. PROOF OF ENROLLMENT FORMS

- In order to secure driver's licenses and permits, students are required to provide proof of school enrollment. These state mandated forms are available in the school office. Students should request these forms from the school secretary **at least two days in advance.**
- **Forms are issued during summer months on Tuesday & Wednesday mornings.**

#### N. ACCREDITATION

Trinity Junior High School is a member of the Arkansas Non-Public School Accreditation Association.

#### O. ADMISSION

- Trinity Junior High School will admit students of any race, color, national, or ethnic origin and will afford them all the rights, privileges, programs, and activities generally accorded or made available to its students.
- Priority for admission will be given to the parishioners of the Fort Smith, Van Buren, Barling and Jenny Lind parishes. When space is available, non-parishioners may be admitted.

ALL NEW STUDENTS ARE ADMITTED ON A PROVISIONAL BASIS. IF A FAMILY HAS NOT BEEN CONTACTED OTHERWISE BY THE END OF THE FIRST QUARTER OF THE SCHOOL YEAR, THEY MAY ASSUME FULL ADMISSION FOR THEIR STUDENT.

## Q. SCHOOL FEES AND TUITION

- Fees

Every child must have received all of the vaccines, be in-process of receiving needed doses, produce a letter from the Arkansas Department of Health approving serology as proof of immunity, or applied for an exemption to continue attendance.

## S. TRANSFER STUDENTS

Generally, students are not encouraged to transfer to Trinity after they have attended the first five days of a given semester at another school. However, exceptions can be made on an individual basis at the discretion of the principal after consulting with and receiving the permission of the pastoral administrator. If a waiting list is in place, accepted students may be contacted for admission if room becomes available during the school year.

T. Trinity Catholic Junior High has fully adopted the Diocese of Little Rock's *Human Sexuality* policy. The diocesan human sexuality policy is a part of the diocesan *Manual of Policies and Regulations* for Catholic schools, and is located in subsection 4.42 of the section titled "4.0 Students." It can be viewed on the Catholic Schools Office website at: <http://www.dolr.org/schools/policy-manual>.

U. Our school/district has selected the **Student Insurance Plan** from K&K Insurance Group to make reliable coverage available to parents. If you don't have other insurance, this plan may be a resource to consider. Additionally, even if you have other coverage, this plan can help fill expensive "gaps" caused by deductible and co-pays. Coverage may be purchased at any time during the school year by visiting [www.studentinsurance-kk.com](http://www.studentinsurance-kk.com).

## PROCEDURES

### A. GUIDELINES TO FOLLOW FOR ABSENCES

1. When a student is unable to attend school, a parent or guardian must telephone or email the school office (782-2451 or ggarcia@trinitycatholicjh.org) before 8:30 a.m. to report the student's absence.
2. Parents are strongly encouraged not to schedule medical, dental or other appointments during regular school hours. If such an appointment is unavoidable, parents are asked to vary the times appointments are scheduled so students are not consistently missing the same classes. Absences for appointments will count toward the semester test exemption.
3. Parents are required to sign students out in the office any time they plan to check the student out of school and leave the campus. Parents DO NOT have to come in and sign their student back in after returning from an appointment; however, the student must present a doctor's statement and sign back in to school upon return from such an appointment.
4. Students who become ill during the day will report to the office. Parents will be notified.

### B. MAKING UP WORK MISSED/CONSEQUENCES OF ABSENCES

Absence for sufficient reason affords the student an opportunity to make up missed work for credit. *It is the student's responsibility to make up all class work, assignments and tests missed due to absence, according to school guidelines.*

In general, the following guidelines will apply for making up work missed due to absence:

- **Students who are in the building for any part of the day are required to turn in all assignments due that day to all of their classes.** Otherwise, late penalties shall apply. For example, students who arrive late or leave early must turn in all work due that day. The exception to this rule is in case of emergencies.
- **It is the student's responsibility to obtain make-up assignments from teachers.** It is recommended that students talk to each teacher regarding their make-up work in order to receive specific instructions and directives.
- **Long-range assignments/projects** made previously by a teacher (i.e., prior to a student's absence) are due on the date assigned. Otherwise, late penalties shall generally apply.
- **Previously assigned homework** is due the day the student returns. Otherwise, late penalties shall generally apply.
- Students who are **absent the day of a test or quiz** should expect to take these tests/quizzes on the day they return. These tests will typically be scheduled outside of class time (i.e., during Study Hall). A teacher may elect to administer the test/quiz on a different day. It is the student's responsibility, upon returning to school, to meet with the teacher to schedule a time to take the make-up test/quiz.
- Parents of students absent from school need to check RenWeb for assignments.
- **Students will follow the Policy for Late Work as outlined in the Homework Policy unless arrangements have been made with the teacher.**
- Parents of children absent from school for extended periods of time due to major illnesses should contact the counselor to discuss assignments from teachers. Parents should encourage their children to work on an appropriate amount of schoolwork so that, upon return to school, students' progress will not be jeopardized.
- Students must submit make-up work according to the following guideline unless other arrangements are made with the teacher with the principal's approval:
  - o **One-day absence:** work is due within two days after returning to school.
  - o **Two-day absence:** work is due within four days after returning to school.*\*For each day of absence, the student is given two days after returning to complete and turn in assignments, make up tests, etc.*
- Students **suspended** from school/class are required to turn in previously made assignments as well as any/all assignments given during the course of their suspension. While suspended, students are expected to complete class work/tests. Failure to do so may result in additional consequences. Students who serve an in-school suspension (ISS) will receive full credit for their work, students who serve an out-of-school suspension will receive one-half credit.
- Students **suspended** from school are also suspended from participation in extracurricular activities including school social activities (e.g., school dances and athletic games, practices, etc.) for the duration of their suspension. This includes in-school suspension (ISS).

### C. TARDIES

FOR A STUDENT TO MAKE SATISFACTORY IMPROVEMENT IN SCHOOL, IT IS NECESSARY THAT HE/SHE BE PRESENT ON A DAILY BASIS WHEN CLASSES BEGIN. TARDINESS INTERFERES WITH PROGRESS IN SCHOOL AND CONSTITUTES A DISTURBANCE FOR ALL MEMBERS OF THE CLASS. (Diocesan Policy 2.09)

- Frequent or perpetual tardiness to class is unacceptable. During the first few minutes of the day and of each class, the tone and agenda are set for the rest of the period. In being late, students interrupt the instructional flow and deprive the teacher of the class's full attention. This wastes valuable time as it requires the teacher to repeat directives and information when students enter the room late. Adequate time between classes has been scheduled so tardiness should not be a problem for students.

- A student is considered tardy if not in the classroom when the bell rings. Please note that many teachers require students to be in their assigned seat WHEN the bell rings to avoid being considered tardy.
- Consequences for tardies are assigned per semester, per class period (see below).
- Students who arrive late to 1<sup>st</sup> period MUST report to office before going to class.
- Consequences:
  - 1<sup>st</sup> and 2<sup>nd</sup> tardy -- Warning by teacher and documented by teacher in attendance chart
  - 3<sup>rd</sup> tardy - Notification sent to principal and parent by teacher, documented by teacher in attendance chart, and counts as an absence for that class and may affect semester testing exemption.

#### D. TRUANCY

- Truancy, absence for all or part of the school day without permission of parents and school authorities, is considered an unexcused absence and the student will be assigned consequences. Students are also truant if they:
  - o Leave the school without checking out through the office.
  - o Are absent from a class without permission.
  - o Become ill and go home/stay in the restroom/other location instead of reporting to the office.
  - o Obtain a hall pass to go to a certain place but do not report there.
- In all cases, parents will be notified by the principal and the consequence assigned to the student will be discussed. Students who are truant are subject to a minimum penalty of In-School Suspension and a maximum penalty of expulsion.

#### E. COMPLAINTS

ANY PERSON FEELING AGGRIEVED CONCERNING ANY MATTER CONNECTED WITH THE SCHOOL WILL CONTACT THE INDIVIDUAL CONCERNED BEFORE DISCUSSING IT WITH OTHER PATRONS.

- If a person has a complaint about a teacher, the individual must first go to the teacher to seek a solution to the problem.
- If the matter cannot be resolved satisfactorily, the person will contact the principal for an appointment.
- If the problem is still not resolved, the person will contact the pastoral administrator to discuss the matter.
- If no solution is found to the problem, the matter will be referred to the Superintendent.

### ACADEMIC PROGRAM

#### A. INSTRUCTIONAL READINESS

Students are expected to report to each class on time and with the proper materials (e.g., textbooks, pen, assignments) required by each teacher. Being prepared allows students and teachers to make the best use of instructional time.

#### B. PLACEMENT IN CLASSES

Each year, students' placement in classes is carefully considered in order to set the stage for them to be successful. The courses offered vary from year to year and subject to subject. Final placement in courses is made according to academic requirements, student choices, class availability, past school performance (academic and behavioral), achievement on standardized tests and other placement tests, class sizes, and schedule conflicts. **Please be advised that a faculty recommendation is one major determination for student eligibility for enrollment in all Pre-AP courses. All students who wish to take a Pre-AP class must sign a contract along with their parents to secure a seat in the class. An agreement must be signed by Pre-AP students and parent.** All class changes must be made by the administration. Schedule changes may not be considered after five days of a new semester.

#### Trinity Junior High School Pre-AP/AP Course Agreement

Pre-Advanced Placement (Pre-AP) and AP courses are advanced, academically rigorous courses designed to consistently challenge students to expand their content knowledge and skills to higher levels. Pre-AP courses prepare students for Advanced Placement (AP) courses, which are college-level-type courses taught in high school.

#### Expectations of Pre-AP/AP Students:

- Students will check grades weekly via RenWeb.
- Students will expect to have substantial amounts of independent work and /or homework, amounting to several hours per week for each Pre-AP course.
- Students will budget time effectively to meet course requirements while participating in extracurricular activities.
- Students will be fully prepared for each class period with required assignments and materials.
- Students will make maximum use of class time by behaving appropriately and minimizing disruptions.
- Students will consistently produce high quality work.

**Expectations of Parents of Pre-AP/AP Students:**

- Parents will carefully consider the student's ability to manage time effectively and formulate a plan for assisting students in balancing the rigorous demands of the course with extracurricular commitments.
- Parents will encourage time management and organization skills that Pre-AP courses demand.

**Pre-AP/AP Course Removal:**

If a student underperforms in a Pre-AP course, he or she may be removed and placed in a regular course. Once the student is removed, he or she will not be allowed to re-enroll in a Pre-AP Course for the remainder of the school year. The following conditions may constitute removal:

- Student receives a grade below a C (69.5) at the end of a quarter.
- Student has three (3) late or missing assignments in a quarter.
- Student exhibits inappropriate or disruptive behavior (as determined by the teacher) during class and/or fails to be consistently prepared for class with required assignments and materials. If the behavior is not corrected after verbal warnings from the teacher, one written warning will be provided to the parents via email or mail. If the student's behavior is not corrected immediately after the written warning, he or she will be removed from the course.

- Two (2) days late may result in up to a 50% loss of points
- Late work of two (2) days or more may result in the following:
  - a. Teacher will communicate with parents by telephone or email; administration will be notified.
  - b. A discipline referral will be made to an administrator and consequences will be applied.

**D. RENWEB**

The faculty and staff at Trinity Junior High utilize RenWeb, an on-line assignment/information website that is available for all students and parents. This system enables students to access a particular teacher's classroom assignments by date in order to further support them off campus in their homework endeavors. All students and parents are encouraged to access and implement this program as a means of clarification or completion of work so that success can be obtained for each and every student in the educational setting. Specific log-in information and access codes will be distributed when school begins in the fall.

Trinity staff members as well as auxiliary groups often post practice schedules, calendars of events, project timelines, etc. to better ensure success for students and keep lines of communication open between the school and the home.

Trinity also uses RenWeb and Facebook to connect with parents.

## E. REPORT CARDS AND PROGRESS REPORTING

- Report cards are distributed once every quarter. Mid-term progress reports may be e-mailed home each four and one-half weeks to the parents of students who are doing unsatisfactory work, or whose conduct is unacceptable. Teachers may elect to give progress reports to all students.
- Parents are encouraged to be knowledgeable about their child's academic and behavioral progress. Conferences may be arranged with teacher(s) at the parents' or teachers' request.
- School-wide parent conference times are scheduled at the end of the first and third quarters. Please refer to the school calendar for these specific dates.

## F. GRADING SCALE

The following grading system and values are used in computing grade point averages:

A	90 - 100	4.0
B	80 - 89	3.0
C	70 - 79	2.0
D	60 - 69	1.0
F	0 - 59	0.0

## H. PROMOTION POLICY

A STUDENT IS PROMOTED EACH YEAR ON THE RECOMMENDATION OF THE TEACHER AND THE PRINCIPAL. WHEN MAKING AN EVALUATION OF THE STUDENT'S ACADEMIC PROGRESS, THE TEACHER WILL CONSIDER THE SOCIAL, EMOTIONAL, PHYSICAL, AND MORAL DEVELOPMENT OF THE STUDENT, WHICH AT TIMES SHOULD BE GIVEN PREFERENCE OVER ACADEMIC PERFORMANCE (Diocesan Policy 2.07).

- Promotion will be based on a computed grade point of 0.7 in each subject.
- If a student fails one major core subject, he/she is required to complete summer school classes/tutoring as approved by the principal.
- Two major subject areas constitute a grade failure unless made up in the summer through an approved method with prior approval by the principal.
- Proof of attendance/completion of a summer course with passing marks must be presented to the principal before the student is permitted promotion to the next grade.
- Ninth graders must make up every semester unit failed.

## I. COURSE FAILURE

- Students who fail a class in a major core subject area will be notified by letter from the school counselor at the conclusion of the school year.
- A student is considered to have failed a semester if they have a semester average of less than 60%.
- In order to bring the grade **to a 65%** on the student transcript, the student must complete one of the following courses of study:
  - o Attend an approved summer school program. Approval must be granted in advance by the principal or the counselor. The student must complete study in the subject area and present verification of successful completion.
  - o The student can repeat the course under the guidance of a certified teacher, completing and passing all chapter tests in the subject area. Verification of the successful completion must be submitted by the certified teacher to the school.
  - o Successfully complete a pre-approved correspondence/online course and submit verification of that successful completion to the school.

**\*The course of study chosen by the student MUST be approved by the principal and the counselor prior to completion of the class. Failure to do so may result in not receiving credit for the course.**

- Any student who does not repeat a failed course during the summer months will be required to re-enroll in the course the following year.

## J. CYBER DAYS

"Cyber Days" combine online educational tools with teacher planning and creativity to help students make the most of days where inclement weather forces cancellation of the regular school day. Assignments are done at home. Teachers will upload assignments on their class website on the RenWeb site. All assignments and links will be listed under the Resources tab in Parents Web.

Please contact your teachers PRIOR to cyber days if you do not have access so other arrangements can be made for your child.

Students will have 5 days to complete their assignments, unless the teacher has specifically assigned a due date to the project, and/or the teacher has assigned homework to be turned in the next day then the Student Handbook rules will apply.

Cyber day lessons count for grades just like regular class days.

Most assignments should not require a textbook to complete. Just to be safe, students should take home their textbooks if possible.

#### K. WITHDRAWAL FROM TRINITY JUNIOR HIGH SCHOOL

Students must submit a completed checklist, signed by all teachers/sponsors, stating that all books, equipment, uniforms, etc., have been turned into the appropriate person.

### SCHOOL EXPECTATIONS/DISCIPLINE

Students are expected and encouraged to grow in their understanding of moral and honorable behavior while enrolled at Trinity Junior High School. In order to build a community where trust and respect are the foundation, it is important that students strive for the highest standards of honesty, integrity, and responsibility for their actions as well as in their treatment of others. To achieve an atmosphere where the Catholic faith, academic excellence, service, leadership, and character can be pursued, students and their parents must support the policies and regulations set forth by the Trinity administration and the staff.

Students must avoid conduct outside of school that would bring unfavorable criticism or publicity to the school or that would introduce unhealthy influences into the student body. Trinity Junior High enjoys a positive reputation in the community, and any action in which students participate that detracts from that reputation will result in punishment administered by the school. Once again, student behavior off campus may have serious consequences on campus. Firm, fair, and fast, consequences for negative behavior will be applied. Depending on the frequency and/or seriousness of the offense, suspension or expulsion may follow the infraction of the preceding general rules and particular rules that follow.

#### A. APPROPRIATE BEHAVIORAL GUIDELINES

- Trinity Junior High, as well as other Catholic schools in the United States, has earned a reputation based on its high academic standards, the emphasis on values and morals, and the sense of discipline and order in the school. In such an atmosphere, teaching and learning must occur so that students prosper spiritually, academically, and emotionally. To ensure these goals, students are expected to use appropriate behavior not only on school premises, but at any time they are in school uniform or representing the school in any way. Students must realize that they are always a representative of and identified as TJH students whether they are in uniform or not.
- Generally, acceptable student behavior can be described as behavior that assures the right of every student to learn, the right of every teacher to teach, and clearly demonstrates respect for the personal, civil, and property rights of others. Students are expected to be courteous, attentive, and respectful.
- Students unable to abide by established school behavioral guidelines are subject to disciplinary actions.

#### B. HONOR CODE

Basic Christian values call each student to use his/her God-given gifts and talents and to do so honestly. As a learning community, Trinity is committed to the development of personal honor and integrity for all its members. All who attend Trinity Junior High have the right to feel confident in the integrity and honesty of their peers. Every student is expected to conduct themselves as persons of honor whose academic accomplishments are a result of his/her own efforts, who accepts responsibility when confronted with an honor violation and who responds maturely to his/her correction or discipline.

If a student is unsure how the Honor Code applies in a particular situation, it is ultimately the student's responsibility to clarify these areas with his/her teacher.

- The most serious violations of our standard of academic honesty include theft and/or distribution of an exam; theft of, or tampering with a teacher's grade book or teachers' manuals. Such violations may result in a student's expulsion, suspension, and/or other disciplinary actions.
- Other very serious violations include flagrant plagiarism; duplication of another person's research papers; cheating on a test by copying answers from a source brought into the room; providing test answers to another student prior to or during a test; obtaining test answers from a student who previously completed a test; theft of or tampering with another student's work, including by computer; looking at another student's paper during a test; misgrading assignments and/or tests.

- **Individual teachers will explain to their students how the standard of academic honesty applies to their classes.** Clarification of teacher expectations regarding test taking, citing of references, cooperative work by students, etc., will be made at the beginning of each course.
- On all tests, exams, term papers, and other assignments, students must verify that all work attempted was completed by that individual alone. **The student's signature on the work becomes the student's verification of honesty and personal honor in completing the work assignment.**

### CONSEQUENCES

Such violations automatically result in:

1. A zero for the particular test or assignment,
2. Notification of parents, and the principal, who will decide on other appropriate disciplinary actions which may include but are not limited to a minimum penalty of detention with a maximum penalty of expulsion.

### C. DISCIPLINE GUIDELINES

Respect is a crucial requirement for growth. The goal of Trinity is to provide a learning environment in which students and staff relate to each other with Christ-like respect and dignity, allowing for spiritual, intellectual, and physical growth, without intimidation or threat. **Behavior is the responsibility of the student** and the student should be prepared to accept the consequences for actions that do not conform to a Catholic school setting as well as Trinity Junior High School standards.

GOOD ORDER BY STUDENTS IS EXPECTED IN EVERY SCHOOL. RULES AND EXPECTATIONS, TOGETHER WITH THE CONSEQUENCES FOR INFRACTIONS, ARE TO BE ESTABLISHED BY THE LOCAL ADMINISTRATION AND PUBLISHED IN THE SCHOOL'S MANUAL. THE FOLLOWING REGULATIONS ARE TO BE MET IN THE FORMULATION OF SUCH POLICIES:

- Good classroom discipline is first and foremost the responsibility of the classroom teacher.
- Corporal punishment is contrary to diocesan policy and is not to be used as a means of student control.
- Emphasis is placed on positive values rather than negative. When violations do occur, each case will be addressed with respect to the personal dignity of the student, the teacher, and all who have been offended by the student's misconduct.
- Means of coping with problem situations are to deny privileges to misbehaving students, talk to the student in private, inform parents or guardians, and/or seek positive help for the student from their counselor.
- Serious or continuous disciplinary problems will be referred to the principal, and parents will be notified of the infractions and of the disciplinary action taken.
- If a student cannot be helped through any of the above means, the principal will follow the procedure for suspension or expulsion.
- Examples of conduct not tolerated:
  - a. Any disorderly conduct/destruction of property. Students will pay for damage to school property.
  - b. Disrespect or abuse of school staff or students.
  - c. Possession of firearms or other weapons (replicas included).
  - d. Theft.
  - e. Possession of or use of alcohol, tobacco, or drugs.
  - f. Involvement in or possession of occult or satanic games, cards, or other paraphernalia. (Diocesan Policy 2.11)
  - g. Harassment/Bullying.
  - h. Cell phone use except as indicated.

### CONSEQUENCES

- o Sanctions will include a minimum penalty of a reprimand and a maximum penalty of expulsion.
- o Depending on the severity of the offense, other consequences may include, but are not limited to:
  - Loss of club/activity/athletic participation
  - Removal from class
  - Morning or Lunch Detention
  - In-School Suspension (ISS). Refer to section "D" below.
  - Out-of-School Suspension. Refer to section "E" below.
  - Expulsion. Refer to section "F" below.

### D. IN-SCHOOL SUSPENSION (ISS)

In an attempt to provide an alternate to out-of-school suspension, Trinity Junior High School will institute the use of an ISS (In-School Suspension) program for students exhibiting persistent and/or serious behavioral infractions. While assigned to ISS, the student will be afforded the opportunity to complete their assignments for a grade and be in attendance at school. A

student can only be assigned to ISS three (3) times per semester. Afterwards, additional behavioral infractions that would warrant ISS will result in an out-of-school suspension.

The following guidelines will be adhered to when a student is assigned ISS:

- Students will attend the ISS program for the entire school day. Early exits are not permitted or the student will be required to repeat the day.
- If the student causes a problem while in ISS, they will be sent back to the principal for additional disciplinary actions.
- Class assignments for students who have been assigned ISS will be sent to the ISS teacher at the beginning of 1<sup>st</sup> period on the day the student will be in attendance.
- Students should complete all assignments by the end of the school day. Additionally, these assignments must exemplify good quality and effort on the student's part. Failure to comply with these criteria may result in additional ISS time for the student.
- Attendance in ISS may result in non-participation of extracurricular activities taking place before, during and after school hours for their assigned day(s).

#### **E. OUT-OF-SCHOOL SUSPENSION (SUSPENSION)**

SUSPENSION IS DEFINED AS A TEMPORARY EXCLUSION OF A STUDENT FROM A SCHOOL FOR DISCIPLINARY REASONS. SUSPENSION FROM THE SCHOOL WILL BE THE DECISION OF THE PRINCIPAL IN CONSULTATION WITH THE PASTORAL ADMINISTRATOR.

(Diocesan Policy 2.13)

Suspension is generally a penalty which may be used for chronic or very serious infractions of school rules. A student receiving more than one suspension in a given semester will likely be recommended for expulsion. The following guidelines will be used when suspending a student:

- Length of suspension (not to exceed ten days) will be determined by the principal and/or pastoral administrator and will reflect the offense committed.
- The principal will notify the student and the student's parent(s)/guardian(s) of the reason for the suspension, the time of the suspension and the requirements for reinstatement.
- A student on suspension will not be allowed to participate in or attend any school activity at or away from the school campus.
- A student on suspension will not be allowed on school property unless escorted by a parent to the office on school business. Violation of this regulation may result in the student being prosecuted for trespassing and additional days of suspension.
- The day a student is to return from suspension, they must report to the principal with a parent before school starts in order to be reinstated. The student will be admitted back to school following the end of the suspension after a satisfactory solution to his/her conduct is agreed on by both parents and administrator(s) in the conference.
- Students on suspension will be required to complete all assignments given while they are out of school and have them ready to turn in to each teacher the day they are reinstated. It is the student's responsibility off-campus and outside regular school hours to obtain these assignments from peers and/or Renweb. This work must exemplify good quality and effort or the student's suspension may be lengthened.

#### **F. EXPULSION**

EXPULSION IS DEFINED AS THE PERMANENT DISMISSAL OF A STUDENT FROM SCHOOL. EXPULSION FROM TRINITY WILL BE THE DECISION OF THE PRINCIPAL IN CONSULTATION WITH THE PASTORAL ADMINISTRATOR.

- A written report containing reasons for the expulsion will be sent to the student's parent(s)/guardian(s) and to the diocesan superintendent.
- If parents wish to appeal the decision, they will arrange a hearing with the arbitration committee (Diocesan Policy 2.14).

#### **G. BULLYING/CYBER BULLYING POLICY**

Trinity Junior High School is committed to providing a safe learning environment for each of its students. Student achievement is best attained in an atmosphere that is free from the fear of emotional and physical intimidation and threats. Bullying is a significantly destructive behavior that will erode the foundational principles on which a school is built. Given the missions of the Catholic Schools of Arkansas and Trinity Junior High School, there will be no tolerance of any behavior that is classified as bullying and steps will be taken to eliminate such behavior.

Bullying and Cyberbullying is prohibited in person or on social media while in school, on school property, in school vehicles, on school buses, at designated bus stops, at school sponsored activities, or at school sanctioned events. For the purposes of this policy, bullying is defined as behavior that may include, but is not limited to, teasing, taunting, threatening, frightening, and/or hurting other students physically or emotionally, or influencing others to use such practices. Bullying behavior will generally be established when an individual has endured a pattern of offensive behavior or when a single serious act is

committed, depending on the surrounding circumstances. **ACA 2014 defines Cyberbullying and makes it a Class B misdemeanor.**

The staff and administration at Trinity Junior High School will make every effort to be sensitive to bullying behaviors that may take place in the classroom, hallway, lunchroom, locker room, activity center, etc. School employees and volunteers are required to report any instances of bullying to the principal. Students who believe they have been a victim of bullying or parents who believe their child has been a victim of bullying, must report this to a teacher, the school counselor, and/or the principal. After investigating the complaint, any student found to be in violation of this policy will be subject to disciplinary action that is appropriate to the degree of seriousness of the bullying behavior, the age of the offending student, and the frequency of the behavior.

Any individual who believes he/she have been a victim or a witness of sexual harassment should report this behavior immediately to a faculty member or the principal. After investigating the complaint, any person found to be in violation of this policy will be subject to disciplinary action. **ANY STUDENT SUBJECTED TO OFFENSIVE BEHAVIOR IS ENCOURAGED TO CONTACT A FACULTY MEMBER OR THE PRINCIPAL.**

#### **I. PROFANITY**

The school setting is one in which profanity will not be tolerated. Whether the profanity is written or verbal, all offending students will be assigned consequences by the principal, depending upon the nature and severity of the offense.

2. He/she will be suspended immediately and parents will be notified.
3. Return to school will be contingent upon the student being actively involved in professional counseling and/or therapy if chemical dependency is evident.
4. A second offense could result in automatic expulsion.
5. When a student is involved in the distribution of alcohol/drugs to other students, whether for financial gain or not, he/she will automatically be expelled from school. The distribution of drugs in the State of Arkansas is a felony. Secondly, the action is aiding and abetting another youth in an illegal action. Such conduct cannot and will not be tolerated by the Diocese of Little Rock and its school system.
6. A teacher is required by law to report to school authorities any incident of alcohol or drug use. Not to report such an incident is against the law. (Arkansas Code Ann. 6-21-608) (Diocesan Policy 2.16)

**\*The Pastoral Administrator/Principal reserves the right to require drug testing for students at the expense of the parent.**

#### **K. WEAPONS**

**THE CATHOLIC SCHOOLS OF ARKANSAS HAVE A NO TOLERANCE POLICY INVOLVING POSSESSION OF WEAPONS. PARENTS SHOULD UNDERSTAND THAT THE SCHOOL'S FIRST RESPONSIBILITY IS THE PROTECTION OF ALL OF ITS STUDENTS. THE SCHOOL TAKES THIS RESPONSIBILITY VERY SERIOUSLY. THEREFORE, IF A STUDENT BRINGS A WEAPON TO SCHOOL, OR TO A SCHOOL FUNCTION, OR HAS A WEAPON ON HIS/HER PERSON, THE SCHOOL WILL IMMEDIATELY EXPEL THE STUDENT. PARENTS ARE ADVISED THAT THE SCHOOL WILL CONTACT LOCAL POLICE OR APPROPRIATE AUTHORITIES AND WILL NOTE IN THE STUDENT'S PERMANENT RECORD THAT HE/SHE WAS EXPELLED FOR POSSESSION OF A WEAPON ON SCHOOL PREMISES OR AT A SCHOOL FUNCTION. POSSESSION INCLUDES, BUT IS NOT NECESSARILY LIMITED TO, HAVING A WEAPON IN A LOCKER, BOOKBAG, PURSE, OR VEHICLE. (Diocesan Policy 2.18)**

### A. ACADEMIC AND SCHOOL BEHAVIOR

The Trinity academic program and behavioral standards are rigorous and require diligence and hard work by the students. Students are expected to demonstrate their personal best in the classroom as well as during each specific activity. Failure to abide by school expectations jeopardizes a student's privilege to be a member of a school athletic team or participate in school-sponsored activities.

### B. SCHOOL ATTENDANCE

- In order to participate in an event on a particular day, **a student must be in school for the FULL DAY on the day of the event per AAA Rule.** Exceptions to this policy can only be made by the principal.

#### **H. STUDENT COMMUNITY SERVICE REQUIREMENTS**

##### **TRINITY JUNIOR HIGH SCHOOL SERVICE HOUR REQUIREMENTS**

Trinity Junior High School requires students complete volunteer service hours as part of the curriculum. All of the Religion classes require service hours as do the National Junior Honor Society. The main purpose is to encourage students to take their faith outside the classrooms and actually apply what they are learning in school. Christ calls all of us to a life of service, a call reiterated throughout the Scriptures, Church documents and Diocese expectations. This ministry is a contribution of our time and talents in a volunteer capacity to help make our world a better place to live.

Each one of the above named classes or clubs have different expectations regarding volunteer hours. Every teacher or sponsor will provide students hard copies of these at the beginning of school and they are also on Renweb for easy review and printing.

There are many summer activities and programs that offer volunteer service opportunities for our students. When school starts, it is a busy time for all concerned so if you can get ahead of the game during the summer the better off everyone will be.

The criteria for volunteer/service hours will be given by each instructor requiring them.

## TECHNOLOGY POLICIES OF TRINITY JUNIOR HIGH SCHOOL

### A. COMPUTER/INTERNET TERMS OF USE

Internet access is available to students and teachers at Trinity Junior High School. We are pleased to provide this access and believe the Internet offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence by facilitating resource sharing, innovation, and communication. Chromebooks are provided to each student for educational purposes. Students must abide by school rules regarding the use of these Chromebooks, or consequences will be applied.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the school setting. Teachers will supervise student access in the classroom; however, on a global network it is impossible to control all materials and an industrious user may discover controversial and/or offensive information. Trinity Junior High School firmly believes that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the philosophy of Trinity.

The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general this requires efficient, ethical and legal utilization of the network resources. If a TJH user violates any of these provisions, disciplinary consequences will result which are deemed appropriate by the school principal. Your signature regarding the Internet Use Agreement is legally binding and indicates that the signing parties have read the terms and conditions carefully and understand their significance.

Use for product advertisement or political lobbying is also prohibited.
2. **Privileges** - The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator and the principal will deem what is inappropriate use and their decision is final.
3. Students will receive E-mail addresses through Trinity.  
**Students should not access personal social media, including but not limited to Twitter, Instagram, Pinterest, SnapChat, Facebook, etc., accounts from the TJH network. Students may not sign up for free email accounts through the TJH network.**

Students who participate in online interactions must remember that their posts reflect on the entire Trinity Catholic Junior High School community and, as such, are subject to the same behavioral standards set forth in the Student Code of Conduct.

In addition to the regulations found in the Student Handbook, students are expected to abide by the following:

- To protect the privacy of TJH students and faculty, students may not, under any circumstances, create digital video recordings of TJH community members either on campus or at off-campus TJH events for online publication or distribution.
- Students may not use social media sites to publish disparaging or harassing remarks about TJH community members, athletic or academic contest rivals, etc.
- Students who choose to post editorial content to websites or other forms of online media must ensure that their submission does not reflect poorly upon the school.

Failure to abide by this Policy, as with other policies at TJH, may result in disciplinary action as determined by the Principal or the Dean of Students.

#### **Digital Privacy.**

Be aware that usage on every Trinity Chromebook and desktop computer is tracked and visible to school administration *at all times*. Usage for purposes other than Trinity education will be grounds for disciplinary action as determined by the Principal or the Dean of Students.

#### **School-Issued Chromebook.**

Every student will be issued a Chromebook computer to use for school-related educational purposes. Students are to keep the exact Chromebook that was issued to them by serial number. The same Chromebook, by serial number, will be re-issued to the

student each year they attend Trinity. At the end of the school year, return to Trinity the exact Chromebook, along with the charger, that was issued by serial number.

Students are to bring their Chromebooks to school fully-charged every day. It is a good practice to charge the Chromebook overnight.

### **Chromebook Loss or damage.**

Students are responsible for the cost of Chromebooks and chargers that are lost, damaged, or stolen. If a Chromebook is damaged or lost, report it immediately to the Trinity school office. If a Chromebook is stolen while away from school (not on school business), report it immediately to the local Police, then contact the Trinity school office. Each student is responsible for repair and replacement costs of the Chromebook and power-supply issued. Repairs must be coordinated by the Trinity school office. The replacement charge for a Chromebook is \$250. The replacement charge for a screen is \$50, and a charger replacement is \$35.

## **CHROMEBOOK POLICY & FAQ**

### **Are students required to buy a case for the Chromebook? What is the version of Chromebook?**

Cases are required and will be issued by the school. Any other cases must be approved by Mr. Hines or Mr. Edwards.

### **Are students allowed to download apps for Pandora, etc. so they can listen to music while they work at home?**

Students are to use their Chromebooks for educational purposes only. Apps to be downloaded will be according to the direction of the teacher(s).

### **Are students required to get a teacher's approval before adding all apps? What about educational apps such as Dictionary?**

Teachers' approval should be given before any apps are added. The Chromebooks are set up so that students can only install apps from the Education Store.

### **Are students allowed to add the Chromebook to their personal insurance plans to insure against loss or theft?**

The replacement fee for a Chromebook is \$250, so unless it's free for them to do so, it might not be a very fiscally responsible thing to do. However, students and their parents WILL be responsible for replacing and/or repairing Chromebooks that are damaged due to neglect or abuse. The school reserves the right to determine the cost of repair or replacement and to enforce the charges, up to \$250. Screen replacements are \$50, and charger replacements are \$35.

### **Are students allowed to send email messages to other students asking about homework assignments, what they missed in class, etc.?**

Personal email accounts are prohibited during school hours, however Trinity email is allowed and even encouraged by some faculty who will want to utilize email and other tools for collaborative projects, so they shouldn't have anything keeping them from doing that. If they are just passing notes, then it will be treated as if they are passing notes.

### **How much does it cost the student to replace or repair the Chromebook?**

As mentioned above, any damaged or lost equipment (Chromebooks and other school-owned devices) will be repaired or replaced at the students'/parents' expense, up to \$250. This includes the Chromebook charger, which may be replaced for \$35.

### **Should students bring their Chromebooks to every class, every day, or only when a teacher requests it? For example, if they take it to Math class and are not using it, will they be in trouble for having the device with them? And should they leave their Chromebooks unattended in class when they go to lunch?**

They should take them to class unless directed not to do so. Students are also responsible for keeping the device charged, easily accomplished by charging overnight. They should NOT take them to lunch. Students should leave their devices in the classroom for lunch (or Mass or assembly, etc.) and the teachers will make sure the classroom doors are locked during such times. Chromebooks should not be left unattended elsewhere.

### **Are the students allowed to use the Chromebooks for anything personal?**

During school hours, the Chromebooks are for schoolwork.

By signing the Statement of Responsibility (due on or before September 5, 2018), you are indicating that parents and students have read and understand this Chromebook policy and that they agree to follow the expectations and provisions contained herein. This documentation will become part of the student's file.

# AAA Sanctioned Activities

Dear Parents and Students,

At Trinity Junior High School we pursue excellence in all things. The day-to-day life of a junior high student is challenging in and of itself. When young people take on the extra responsibility of activities, it takes a greater commitment on their part to be successful.

The athletic program at Trinity Junior High seeks to provide an experience of Christian competition that will enable students to develop their athletic skills as they also learn the values of Christian sportsmanship.

A complete sports program is provided for both boys and girls. The sports teams are a member of the Arkansas Activities Association.

The coaches' and the school's role is to provide activities that are "the other half of education and the extension of the classroom." Values such as confidence, citizenship, sportsmanship, work ethic, social skills and responsibility are among many we feel should be a part of the educational process.

As a school, Trinity and parents must work together to provide positive experiences for members of our athletic teams.

During the school year, if you have any questions or comments, please feel free to call us at 479-782-2451.

God Bless,

TJH Coaches 2018

**Mission** Trinity Junior High School's Interscholastic Athletic program creates spiritually, emotionally, and physically disciplined scholar athletes who exhibit pride, passion, and a sense of tradition. Our athletic program promotes fair competition through athletes who demonstrate commitment, teamwork, and integrity.

**Motto** We can do all things through Christ who strengthens us. (Philippians 4:13)

**Vision** TJH's vision is to enrich the lives of all student-athletes through the values of teamwork and competition. Our student-athletes will learn and appreciate the intricacies of their sport, while always representing our families, school, and teams with the highest levels of character, class, and excellence.

### **Goals**

#### **For athletes**

A Trinity Scholar-Athlete believes in:

1. The Christian message, the value of academics, and the principles of fair play.
2. Respect for teammates, opponents, coaches, officials, and themselves.
3. Maintaining an environment that values cultural diversity and gender equity among its student-athletes and coaches.
4. Commitment, dedication, and hard work as the keys to success.
5. Being a role model and leader by living substance free, supporting all athletic programs, and representing the school community with integrity.

#### **For coaches**

A Trinity Junior High School Coach will strive to:

1. Create a positive and memorable experience that will be cherished by the student-athlete for the rest of his/her life.
2. Teach the unquestionable truth the whole is always greater than the sum of its parts.
3. Teach the specific and unique skills of our sport to the very best of our abilities by using all means, methods, and resources available to us.
4. Teach the skills of competition and always put the team in the best situation to succeed.

**Athlete's Code** The Administration and Coaching Staff of Trinity Junior High School believe that being an athlete is a privilege and a gift from God. Along with being a great honor, that privilege carries with it many responsibilities. The following criteria are expected of our athletes:

1. Our athletes will be intense competitors on the field or court. Outside of the competitive arena, they are to conduct themselves as ladies and gentlemen at all times, and always show respect for their teachers and for other students.
2. Our athletes are to display positive leadership at all times in our school and communities.
3. Our athletes are to always strive for the highest in moral and spiritual values.
4. When we travel to compete against opponents, our athletes will remember who they are, as well as who they are representing, and will conduct themselves accordingly.
5. Our athletes have the opportunity to receive a first-class education at Trinity Junior High School, which is the number one reason for being here. Pride in the classroom will bring pride on the playing field or court.

**Special notes** Participation in the athletic program is not a right, but a privilege. Therefore, it is imperative that all students taking part in athletic program understand the Athletic Code and conform to the rules therein, and that the coaches of the sport and activity, along with the Principal shall have every right to remove these privileges.

**Trinity Junior High School Student Handbook** The TJH Athletic Handbook is meant to complement any guideline set forth in the TJH Student Handbook and further detail situations pertaining to athletics. If and when there is an inconsistency between the two documents, generally the TJH Student Handbook would take priority. Otherwise, the principal reserves the right to make a ruling on a case by case basis.

**Membership** Trinity Junior High athletic programs are part of the Arkansas Activities Association (AAA). Without exception, all of our teams will follow the rules and guidelines established by the AAA. Please refer to the AAA Sportsmanship Manual.

Additionally, Trinity Junior High School is a proud member of the River Valley Conference for Basketball, Track, and Volleyball. Football is independent. Each conference is governed by the AAA and its own constitution ([www.ahsaa.org](http://www.ahsaa.org)).

### **In Season - Reasonable Time Commitment**

Ninth grade teams plan on a 5-6 day practice per week commitment depending upon the sport. Ninth grade should expect to play and practice on non-religious vacation days and all school vacations. Any athlete not capable of this commitment should seriously consider his or her involvement in 9<sup>th</sup> grade athletics. Depending on the sport there will be Saturday games and practices, and there may be Sunday afternoon practices as well. Make up games could be played over school vacations.

### **Playing Time/Meetings**

Playing time for your student or another TJH student WILL NOT be discussed at any time. If you need to speak with a coach, please call them and set up a specific time for a meeting. No meetings will take place immediately after a practice or during a game. Once a meeting time has been established, your student will be expected to attend the meeting as well.

In general, guidelines for playing time will be as follows:

Eighth and ninth grade playing time is not guaranteed for any player on the team. Seventh grade players will play in every game even at the expense of winning.

### **Athletic Priorities**

Trinity Athletics will maintain FIRST priority over any traveling squads during athletic seasons. Trinity athletic practices and/or games CANNOT be missed due to membership on a traveling squad (AAA Rule). (Example: An athlete who runs track may not miss a practice or a meet in order to play in a basketball or baseball game for their traveling team.)

### **Team Travel**

Means of travel to and from away games will ultimately be decided by the head coach of each sport. For example, the head football or basketball coach may rule that all players are required to ride the bus to and from each away game. If the coach allows any exceptions, the procedure detailed below MUST take place PRIOR to the student leaving for the designated athletic event.

After riding to an athletic event on the bus, players may go home with **their** parent(s)/guardian(s) as long as the following takes place:

1. The parent signs out the student on the form provided by the coach.
2. Players are not allowed to ride home with any other parent/guardian other than their own without special permission.

**Exceptions to this policy can only be made by the principal or the principal's designee.**

Upon returning to Trinity Junior High School, players should be picked up in a timely manner. Coaches will remain with students until all are picked up, so please be respectful of their family time. For teams who will be changing at the opposing team's facilities, the spirit of the school dress code should be followed.

### **Equipment**

All teams, regardless of level, have a responsibility to have their game dress speak volumes of their class and excellence. All game shirts will be tucked in. No player should make modifications to his or her uniform. They are to wear what is provided to them and treat their uniforms with respect.

Athletes will be assigned and will return uniforms to their head coach at the beginning and end of their seasons. At the conclusion of the season, no athlete should turn in uniforms to anyone other than the head coach. Athletes are entirely responsible for their uniforms during the course of the season. If uniforms are lost, the athlete and family are responsible for the cost of the uniform.

### **Facilities**

1. At no time should any student athlete be in ANY SECTION of the Activity Center, including locker rooms, without the supervision of a member of the coaching staff.
2. Athletes who wear cleats or spikes must remove these items before entering the building.
3. Athletes are responsible for keeping the facilities in order and they should report any damages or problems to the coaching staff.
4. All showers must be turned off after showering. The last person in the shower area is expected to check all showers.
5. No horseplay will be allowed in showers or dressing area.
6. Team members are the only people allowed in the locker room area.
7. All athletes are issued lockers for use during their particular season. Lockers must be secured with a lock issued by the athletic department. Lost locks will be replaced at a cost of \$10 charged to the athlete.
8. Any items left in the gym will be either thrown away or donated to a charitable organization.

### **Final Thoughts**

**Awards:** Teams and athletes will be recognized at the school awards banquet in the spring.

**Attendance:** A student may not participate in athletics on a given day they are absent from any part of the school day for any reason or if they are assigned a Suspension the day of the athletic event.

**Removal from school/suspended:** Any time an athlete is removed from school and/or suspended they are ineligible for the length of the suspension.

**Officials:** Athletes are only allowed to address officials when prefacing their statements with Sir or Ma'am. NEVER are athletes permitted to question or otherwise disrespect officials. Coaches can calmly and respectfully ask for rules clarifications and interpretations.

**Complaints/Concerns:** If a parent chooses to question or is concerned about an athletic decision, they need to contact the head coach of that particular sport in order to discuss and resolve the situation. When contacting a coach, please attempt to call during school hours and your call will be returned promptly. Any concern/complaint that cannot be resolved with the head coach needs to be directed next to the principal. If the principal cannot bring resolution to the issue at hand then the pastoral administrator will be contacted.

#### **Conduct Unbecoming of a TJH Athlete**

Principal and Head Coaches, reserve the right to discipline, suspend, or expel an athlete as it relates to the athletic program if the spirit of the TJH Athletic Handbook is not upheld. When the offense is serious (violence, threats, substance related, racism, bullying, theft, disrespect for property or humanity, etc.), the discipline may carry over to the academic environment and/or legal authorities as well.

### **SPORTSMANSHIP**

The Arkansas Activities Association (AAA) defines sportsmanship as “those qualities of behavior which are characterized by generosity and genuine concern for others. Good sportsmanship is abiding by the rules of a contest and accepting victory or defeat graciously. It should be evident in all school functions and should demonstrate the ability to accept defeat without complaint, to enjoy victory without bragging, and to treat opponents with fairness and courtesy.”

The fundamentals of sportsmanship can be found online at the Arkansas Activities Association website. These fundamentals must be adhered to by each individual attending TJH athletic and AAA sanctioned events. These standards are characterized by a sense of doing what is right and exhibiting respect for others even during events filled with fierce competitiveness and often controversy. Trinity Junior High School parents, students, staff and spectators are required to abide by these AAA standards as a means of exuding common decency as well as Christian values at all interscholastic events. Each parent and their student must be familiar with and document their intention to abide by these sportsmanship rules.
